

Audrey's Closet Statistics

- The clothing giveaway was started in 1992 and has been an active ministry ever since.
- In 2010, we held 9 clothing give-aways attended by about 150 people in need each time.
- Men's, women's, and children's regular clothing is available. Outerwear is also on hand.
- The inaugural 2010 community garden produced hundreds of vegetables over the growing season, and served over 100 families.
- The food pantry is used on a weekly basis. An average size family may take up to 2 large paper bags of dry goods for free each week.
- The new building will provide seating for 90 for community kitchen meals. It will also have a shower where the homeless will be able to clean up. The food pantry will be expanded to include large freezers for different types of food donations. These items are in addition to the clothing giveaway storage area.

I Want To Get Involved!

- I would like to make a monetary donation of: \$ _____
- I would like to make a donation of clothing.
- I would like to make a donation of food items.
- I have questions. Please contact me.
- I know someone in need. Please contact me.
- I will commit to pray for your ministry.

Audrey's Closet

Help us **build our dream**
to show the love of Jesus
by serving our community

Find out more at
www.brookparkbrethren.org

It's more than a closet.

Audrey's Closet started as a dream decades ago. It became a vibrant ministry. Now, as it grows, we are dreaming again.

In our church building, we currently provide a "Clothing Give-away" for families in need on a few Saturdays every month or two. We also started a community garden last

summer, originally funded by OSU grants, which provides fresh vegetables to families that attend the clothing give-

aways, as well as elderly and shut-in community members. The garden supplements our food pantry, which stays stocked through donations from church members, and is used frequently by community members in need — even when other local food pantries are low on supplies.

We currently serve families from all around the Greater Cleveland area.

It's bigger than a building.

Recently, we have run out of room in our current church building to provide the clothing giveaway ministry in conjunction with the food pantry and garden.

To remedy this problem, our congregation has decided to undertake a project to build a new structure on church property. It will house our community service programs: the clothing giveaway, the food pantry, and the community garden.

We also will use the space as a soup kitchen, providing monthly meals for the hungry, as well as healthy lunches during the summer to Brook Park kids and their families who are currently on the free/reduced lunch program.

Our dream needs your support.

To achieve this goal, we need to raise \$300,000 for the building, furniture, and appliances. We have worked diligently with a builder to create the least expensive building plan that still meets the community's needs. Raising this much money is no easy task, espe-

We want to start building in late summer 2011.

cially in today's economy. We hope to raise a significant amount from within the church and denomination. For the rest, we turn to area organizations, businesses, and people like you: our angels.

A donation of any amount would help.

Will you consider being one of our donors?

All donations will go directly towards erecting the structure or providing the food and clothing to community members in need.

Organization or business donations of \$1000 or

more have the option of being recognized on our website. Brook Park Community Church is a IRS 501(c)(3) registered charity for tax purposes. For more information, please contact Pastor Dan Johnson.
